HT Helen Toogood

HT My name's Helen Toogood, and I'm Vice President of New Ways of Working in Unilever's IT organisation. I work three days a week. Normally, that's a Tuesday, Wednesday and Thursday, but if I happen to need to do something at home on a Tuesday, then I'll do something on a Monday with work. So, I'm, I'm quite flexible, and the company's quite flexible, in that, in that essence.
